- Extra cleaning power for work clothes, linens and uniforms.

---

# CHORE-MATE™ LAUNDRY DETERGENT PROGRAM

## USE DIRECTIONS

---

### LIQUID LAUNDRY DETERGENT

#### Directions for Pre-Spotting

Pour CHORE-MATE LIQUID LAUNDRY DETERGENT directly onto those extra tough stains such as grease, oils, cuff and collar stains, etc., and rub into fabric. If product contacts hands, wash off thoroughly with plenty of water.

#### Directions for Use in Automatic Clothes Washers

1. Measure CHORE-MATE LIQUID LAUNDRY DETERGENT for entire wash load.
2. Use the measured amount of CHORE-MATE LIQUID LAUNDRY DETERGENT for pre-spotting, as necessary, or pour directly into the washing machine.
3. For light soils, use 1/4 (57 g) cup per load.
4. For heavy soils, use 1/2 (113 g) cup per load.

Formula ingredients contain no phosphorus.

---

### POWDERED LAUNDRY DETERGENT

Top Loading Automatic — 1/2 cup (113 g)  
Front Loading Automatic — 1/3 cup (76 g)
