

# Monarch<sup>®</sup>

## Sep-Ko<sup>®</sup>

---

### PRODUCT DESCRIPTION

*Monarch<sup>®</sup> Sep-Ko<sup>®</sup>* is a powdered, non-chlorinated general cleaner for manual cleaning operations.

---

### BENEFITS

#### **Promotes Quality Assurance**

- Non-chlorinated formula ideal for use as manual cleaner
- Versatile—multi-job cleaner
- Free-rinsing—leaves no residue or soap films on stainless steel surfaces

#### **Saves Labor and Time**

- Built-in wetting agents help assure quick, complete soil penetration and removal
- Easy to use—no blending required

#### **Saves Money**

- Low use-cost versus other powder systems
- Excellent solubility—no undissolved powder residues
- Works in all water conditions
- Safe for use on all metal, plastics and painted surfaces at recommended use concentrations
