Foam or Spray

HYDRA FEED

EFFERVESCENT : NO MIXING, STIRRING OR TUBE FEEDING!

- **HIGHLY PALATABLE**
-when they won't consume milk or milk replacer. **NO TUBE FEEDING!**
- **HIGH ENERGY**
-provides lactose for greater energy to consume more fluids or grains.
- **RAPID HYDRATION**
-helps restore electrolytes, essential nutrients and ph balance after 1 feeding.
- **NO RELAPSE**
-high lactose formulation won't allow calves to fall back into scouring pattern when they're put back on normal feeding.

Dissolves easily in water, so calves get the complete formula!
2x per day for 2-3 Days
(1 packet makes 2 quarts)

95% RETENTION RATE
with dairies
that use
