HIGH-PERFORMANCE WASHER-EXTRACTORS

EH020—SOFT MOUNT

EH030—SOFT MOUNT

General Information:	
Capacity: 20lbs.	Capacity: 30lbs.
Net Weight: 279lbs.	Net Weight: 758lbs.
Width: 27 inches	Width: 31.3 inches
Depth: 27.6 inches	Depth: 34.9 inches
Height: 42.5 inches	Height: 52.2 inches
Door Opening: 12.7 inches	Door Opening: 12.9 inches
Spin Speed: 970 rpm's.	Spin Speed: 1005 rpm's.
G-Force: 300	G-Force: 351

E-Series Washers bring together unique engineering elements, including a free standing and sump-less design, programmable high-speed extract, exclusive features and superior programmability to cut utility and labor costs, and boost productivity. E-Series gives you more using less.... Less water retained after extract, Less dry time and More Productivity—Can decrease time to wash by up to 20%!

Benefits of a Continental Soft Mount High Extract Machine

1. Less Overall Water Usage
2. Less Hot Water
3. Less Wash Time
4. High Extract / No Dryer Needed
5. Less Dry Time if Dryer is Used
6. No Pump to Go Bad with Sand
-Gravity fed Dependo Drain
7. Works Great with Knight Pump
-Correct Laundry Detergent Injection
-Peroxide Injection / Zero Bacteria
-Chemical Injection on Right Cycle
-NO GUESS WORK
8. More Robust than Residential
9. 3 Year Parts Warranty
10. Can Lease over 3 years

Warranty Information (All Washers):
 3 years Parts & 5 year inner & outer frame assembly.

Water Usage Study—\$\$\$ Savings

500 Cows / 3X

1 towel dry wipe 5 cows; 1 towel per cow to wipe; **EQUALS 1800 Towels /day**
 \$.03 /gal to haul & spread (Can Vary)

500 Cow Dairy	Continental 20#	Residential
Water Usage:	15-20 gal.	31-40 gal
Towels / Load	190	65
Loads / Day	1800/190=9.5	1800/65=29
Gal Water/Load	17.5 gal	31 gal
Gal. Water/Day	9.5 x 17.5=166	29 x 31=900
Gal. Water/Year	166x365=60,590	900x365=328,500
\$.03/Gal/Spread Yearly Cost	60,590x\$.03 = \$1817.00	328,500x\$.03 = \$9855.00

Leasing Questions

Common Questions & Answers to help make the process with Stearns Bank turn-key.

How can I reach Stearns Bank?

Please call the 800 number and ask to talk to an Account Manager.

What is the most common leasing program set up for commercial laundry programs?

The most common is a (3) year, 36 month contract. (2) payments are required upfront, pay 34 more with a final payment of \$1 at the end. Typically the \$1 is billed with last payment. You can finance over 24 or 48 months also.

How long does the process take?

The entire process should be under an hour unless it's a tough deal that needs to be worked a little.

What information does the dealership or the farm have to have ready upon calling for a loan?

Nothing from the dealer at that point. From the customer Stearns would need just basic contact information, social security number of the owners and a couple trade references (vet, feed supplier, implement dealer).

Does process start and end on the phone?

Typically the application is done over the phone although some dealers fax in an application. Once the application is received the dealer and or the customer is contacted via phone with the decision. The goal again is to have this done in under an hour.

Is there paperwork that needs to be signed?

Yes, the actual paperwork is sent to the dealer or customer once approved.

When is the money released to the dealership selling the equipment?

The day Stearns receives the signed paperwork, a check is sent to the dealer.

Are the lease payments tax deductible?

Yes, that is the idea behind the lease.
