

ACRSmart MMV PLUG & PLAY

The ACRSmart MMV Plug & Play ensures a fast and effortless installation, delivering amazing results quickly. The perfect choice of upgrade to the modern dairyman!

When you install and ACRSmart MMV Plug & Play in your parlor, you will get:

- An improvement in your milking routine through effortless cluster attachment
- A product that is simple to use and easy to maintain
- Optimal milking performance through fully customizable programming
- A product that is adaptable and suitable to any parlor regardless of type

A PRODUCT CREATED TO HELP IMPROVE THE PERFORMANCE OF YOUR DAIRY.

“Since installing the Plug & Play, we milk more cows, we get more milk, and we do it in less time!”

Jared Cooper, Cooper Legacy Dairy, New Mexico 2400 Cows via a 2x30 Parallel Barn Parlor
